BIBLE CLASSES

FALL 2014

SUNDAY MORNING

9 AM

What Difference Did He Make

Lyndal Dale

Auditorium

A study of the impact that Jesus made on our world in areas that we might not typically think about.

JAMES-Christianity in Real Shoe Leather

Tommy Ramer

Parlor

This class is geared toward learning and living out the practical aspects of the Christian faith in every day life. Some of the topics will be: Why do we face trials? How do we handle and overcome temptation? What is "REAL RELIGION"...according to God the Father? How can we better minister to the widows and orphans in our church and in our culture? What is true biblical faith? How do I "Tame my Tongue" so I will build others up instead of tearing others down? The goal of this class will be to address these topics in a way that transforms us to be a new creation in Christ.

The Book of Ephesians

Chad Brewer

Room 221

Through Paul's writings and Luke's record in Acts we have a better understanding of the Ephesian church than any other New Testament church. We can intimately know God's instruction for this fledgling church, but what does it mean today? This class will use God's word to interpret His will and heart for us in the modern world.

Leadership Principles for Life

Mike Seale

Room 211

This class will is geared toward the young professionals (ages 25-40). Churches are struggling, companies are folding and families are failing because of the lack of leadership... leadership that is centered in Christ. This class will focus on the biblical principles of leadership that are exemplified in Scripture by both men and women. These biblical principles can be used at home, at work and in the church to create a stronger environment for empowering others to grow into their full potential for God's purposes.

"What the World Needs to Know."

Dave Sippel

Rash Hall

This class will use the Ray Vander Laan video series "What the World Needs to Know." This class will give a new perspective of how people understood God & Jesus' teaching in biblical times by weaving together historical, cultural & geographical information.

Jesus said in Luke 9:23,24, "Whoever wants to be my disciple must deny themselves and take up their cross daily and follow me. For whoever wants to save their life will lose it, but whoever loses their life for me will save it." What does this mean to us in this time and place? We will look at the "Crucified Life" as described by the apostle Paul in Galatians 2:20.

Seeing Jesus Like Never Before

Mike Seale

Auditorium

This class will focus on seeing the uniqueness of Jesus through the eyes of the fourth gospel, the Gospel According to John. The goal of this study is to see Jesus as the light who showed the world, God the Father.
