GO INTO ALL THE WORLD

As Jesus left this earth at the conclusion of His mission here, He told His disciples to go into all the world and preach the Gospel. It is great to be a part of a church family who strives to do that. We had a group who went to Nicaragua this spring. We have several who have been involved in our work in Africa. We have Rick, Kim, and Mike in Guyana right now, and today we will be sharing with you the work that we have been involved with in Crownpoint, New Mexico.

We had 42 people who actually made the trip, but there were so many more who were involved in this effort. There were those who helped in getting everything ready for the trip, those who contributed generously to help us fund the trip, to those who prayed diligently that we would have a safe and productive mission trip. Everyone was involved, and God blessed all those efforts.

Today we will be attempting to give you a feel for this work in Crownpoint. If you have been before but didn't get to go this year, this will stir some great memories for you. If you had a family member who went but you didn't get to go, maybe this will help you visualize what they have been talking about. Maybe our presentation today will help you to decide to be a part of this effort in the future. Whatever your situation, we pray that our presentation today will be a blessing to your life as this trip was to those of us who were blessed to be a part of this year's team.
