PARAGOULD CHILDREN'S HOMES: Crittenden County currently has 93 children in foster care & only 13 foster homes. Children's Homes, Inc. is trying to bridge that gap for the children in our area by recruiting more foster families - families can be single people as well! There are classes being offered in Paragould in September for families who are interested. If you are even a little interested, or have questions to determine if you could be interested, please either contact Jason or Lori Bratton or call the CHI Placement Office at 501-268-4330.

LIFE GROUPS

The Leadership at Missouri Street has long seen the importance of having LIFE Groups as a way for our congregation to grow in prayer, study and fellowship. Tonight we officially restart our LIFE Group ministry, even though several groups have continued to meet during the summer months. Below is a list of the various LIFE Groups and their leaders. If you would like to be a part of a LIFE Group, please speak to one of the leaders about the time and location of their Group. Some LIFE Groups are full while others still have room.

Remember: the purpose of these groups is to grow spiritually through a time of prayer, study of GOD's Word, singing and fellowship.

We all long to be connected with friends. We long to know and be known by God. We long to make a difference. How does being in a small group impact those things? In these four video Bible study sessions, Alan Danielson will take a look at four questions every small group should ask themselves. You'll hear real-life interviews from small groups whose lives were changed after they asked themselves those very questions. **What if we cared? What if we were honest? What if we failed? What if we got off the couch?**
