# To God Be the Glory

Though not among the current contemporary songs that are popular and receive frequent play, it has to be one of my favorite hymns, To God be the Glory. I love the words of this song, "To God be the glory great things he has done, so loved he the world that he gave us his Son. Who yielded his life an atonement for sin and opened the life-gate that all may go in. Praise the LORD..."

Our theme for Vacation Bible School this year is called, "Miraculous Mission: GOD's Power and Glory." The first lesson is entitled, "The GOD of the Universe." The second lesson is about "GOD's Promise of a Savior," followed by "GOD the Father and His Son have Power over the Laws of Nature," and then "Jesus/GOD is Alive and Working Today." The prophet Isaiah declared to the nation of Israel, GOD's people, their purpose in the world. "This is what the LORD says—He who created you, O Jacob, He who formed you, O Israel: Fear not, for I have redeemed you; I have summoned you by name; YOU ARE MINE. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the LORD, your GOD, the Holy One of Israel, your Savior...everyone who is called by my Name, who I created for my glory, whom I formed and made," (Isaiah 43:1-2,7). In what way can I bring glory to GOD in all that I do and say? Please know that our leadership and entire staff is encouraging you to be in attendance each Sunday night during the month of June to benefit from these lessons from GOD's Word.

This month will also include our yearly trek to **Crownpoint**. This will be quite different from trips before. For the first time in decades, Lyndal and Loretta Dale, and CW and Betty Hinton won't be travelling with us. I am confident they will be praying for us every day, but they will be greatly missed. We have many capable and skilled "veterans" who will still be with us for which we are thankful. What a blessing it is to know that one faithful generation can hand off the work to the next faithful generation. We are seeking everyone's prayers for a safe trip and many people to be blessed by teaching GOD's Word at Crownpoint.

**WORKCAMP.** Kid's Workcamp starts next week. We know what a blessing it is for our young people to be a part of Workcamp. Not only are they involved in blessing others by serving, but they have the opportunity to meet others and fellowship with them in worship and spiritual growth. June is a busy month. So let's get involved and grow together!

# Miraculous Mission 2019 VBS

### ADULT CLASS FOR VACATION BIBLE SCHOOL

This year, as you have heard, we are trying something different for Vacation Bible School. Rather than the daytime VBS for kids that we have done for the past several years, we are meeting on Sunday nights for the first four weeks of June. This should make it more convenient for everyone to be able to attend.

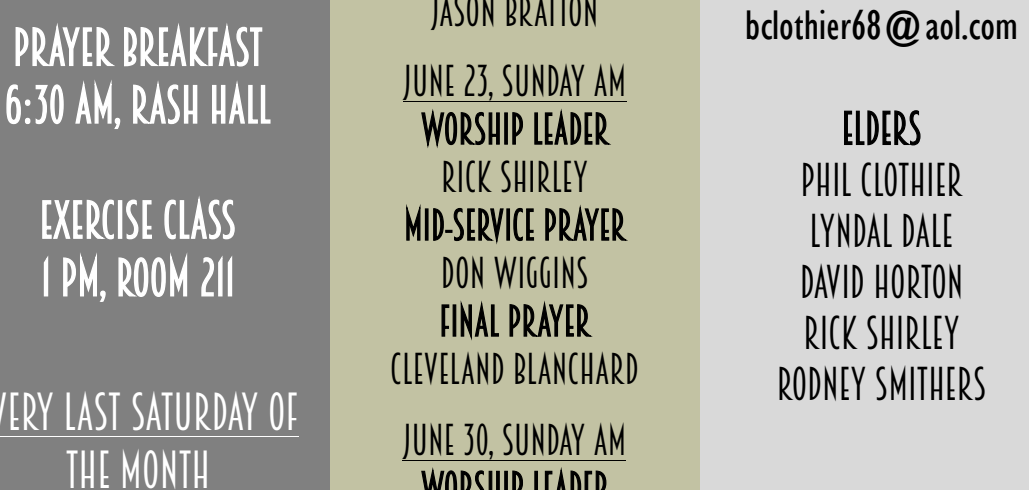

In addition to the time change, we will be having a class for teens and adults. In connection with the theme, "Miraculous Mission", we will be showing a series of videos which highlight the greatness of our God and the miracle of His creation of our world and ourselves.

On **June 2** we will be sharing the video presentation "Indescribable" by Louie Giglio, focusing on how even the heavens declare to us the greatness of our God and His creation.

On **June 9** we will sharing the video presentation "How Great is Our God", also by Louie Giglio, focusing on how our God holds all of his creation together through the miraculous mission of Jesus and His Cross.

On **June 16** we will be sharing the video presentation "The Master Designer" by Brian Corsetti. In this video we will be led on a journey into our created world to discover clues and answers that the animals themselves reveal. And discover the remarkable story of how some of these animals have even changed the course of history! And they were all crafted by The Master Designer.

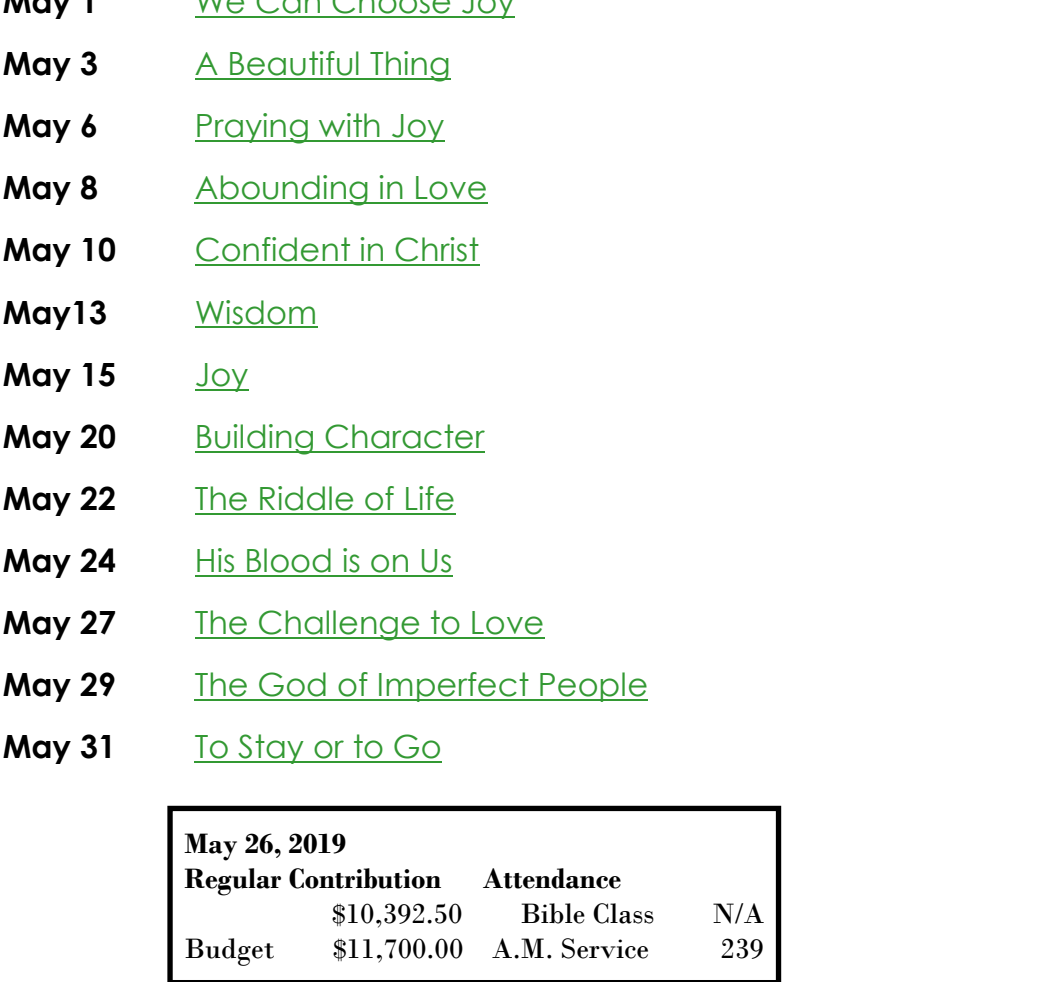

And finally, on **June 23**, we will share the video "Scientific Evidences for Creation" by Frank Sherwin. In this video Frank explores the scientific wonders of God's living creation and how it all fits in with the Biblical account from God's Word.

### June 3-7

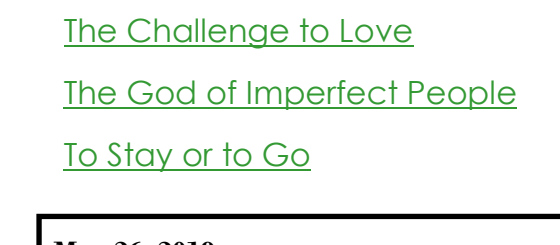

**Workcamp** is an annual service project sponsored by several Memphis area Churches of Christ that brings teenagers, college students, and adults together to repair, scrape, and paint homes for people in need. It helps our teenagers understand Jesus' call to serve. It breaks down racial barriers and lets teenagers put their faith into action. It's a great hands-on learning experience! Keep the group from MoSt and everybody involved in your prayers.

# 2019 Crownpoint Mission Trip

### June 21-29

VBS theme this year is Bible Boot Camp/Armor of God. The classes are divided into four age groups for elementary kids. There's also a teen class for girls & boys, a class for men & women. We had a record number in teen & women classes last year. A total of 150 Navajos attended last year. We are so thankful for your continual support whether it is giving money to help with van rentals or gas or needed supplies. We are especially thankful for your prayers.
