From your elders:

Thank you for your response to our recent questionnaire. After prayerfully considering your responses, we are announcing the following course of action for the immediate future. We will alter these in time as conditions allow.

- Beginning **Sunday, May 31**, we will resume morning worship services at 10:00 a.m. in our auditorium.
- We realize that many may not be ready to participate in this yet, and we totally understand that. We will continue to broadcast the services online after we resume meeting here.
- For those who do come we suggest that you wear masks and observe social distancing.
- We will attempt to do everything possible to ensure safety and sanitary practice.
- We will be altering our communion distribution and offering collection practices to promote safety as well.
- We will not have Bible classes, evening services, or Wednesday Bible classes. Life group meetings will be at the discretion of each group.

Thank you so much for your understanding and cooperation during this unusual situation. We look forward to the time we can all meet together again as we did before. Thanks to everyone who has stepped up to serve during this time.

Sincerely,  
Your Elders.
