**Message from Jane Darr:** My brother-in-law, Herbert Baker, has been diagnosed with COVID along with his advanced Parkinson's. Please pray for his comfort and for his wife, my sister, Shirley. She needs strength. He has been moved to the second floor so they cannot visit through the window as they did every day before. This is especially hard on both of them. I love them both so very much and ask for prayers for all of us. Thanks for all the Prayers you have said for each of us for such a long time. Thanks for being such a loving Family.

**“Stronger”:** Life hurts sometimes. If you haven't already experienced it, there will be a day when you'll encounter pain, failure, or loss. Sometimes the hurt we feel happens because of something we do, or something that is done to us, or something that is no one's fault at all. In this 4-week series, we'll talk about how, when life hurts, or goes wrong, or doesn't make sense, these things are true: **Jesus can redeem what's gone wrong, God can be trusted, God gives us each other, and God helps us persevere**
