CALLING ALL TRUNKS: Decorate your trunks, cars, vans or trailers and join us for our **TRUNK OR TREAT** on Saturday, **October 31**, 2-4 PM. Have your candy ready for our kids and the kids from the community. Let's reach out (safely) and have some fun.

CHILDREN'S HOMES, INC. is seeking families interested in providing Foster Care in their homes. We are in particular need of families willing to care for older children (school age) and siblings, but families interested in helping any aged child should attend. The Zoom meetings will give you details on what is required to become a foster family and will answer any questions you might have. You may attend either meeting: **Tue., October 20th from 6:30-7:30 pm OR Sat., October 24th from 1:00 - 2:00 pm**

If you are interested, email Lori Vandagriff at lori@childrenshomes.org or call our Searcy office at 501-268-4330 and let us know which date you would like to attend. We can then send you the link to join us from your own home. Please give prayerful consideration to join us in the ministry of caring for abused and neglected children.

COLLEGE MINISTRY: We want to let our college kids know how important they are and that they are a part of OUR community at MoSt. College age ministry is in need of 2 things: 1) Please turn in names to the church office of any of our kids who are current members and are in college. 2) People willing to

sponsor, pray for, and encourage these kids so they know they are an important part of our church.

If you'd like information how to do this OR you know you'd like to help please contact Natoshia Wooten or Sue Cash.

THANK YOU: Dear MoSt family, many thanks for the very generous money tree gift Derrick & I received before our wedding on October 10th. I am truly blessed to be raised up in this church family. Derrick & I are extremely grateful for your love, support & prayers at this special time in our lives. In Christian love, Derrick & Cori Ann (Holt) Miles

MESSAGE FROM VONNA NICHOLSON: "Prayer works!!! Thank you all for praying for Kevin. His report from SLU on Wednesday was much better than we expected. The doctor thinks Kevin can be treated with stronger meds and steroid without removing his colon! We would appreciate your continued prayers that this works. Love you all!"
