### THANK YOU:

- To the MoSt Church Family—I appreciate you all for welcoming my children: Jomyia Lewis, Joniya Lewis, and Jomari Henderson and myself, Pindarius Lewis, into your church family with open arms. We really appreciate your generosity and blessings; cards, prayers, texts of concern. You really show what Christians and Christianity is all about. Thank you so much. With love from the Lewis family!
- Thank you for your prayers for Larry Kutscher during his courageous battle against cancer. Those of you who visited, texted, called or sent cards were such an encouragement to him and to me. I am appreciative of those who brought food. I am so grateful for the caring and servant

hearts of Scott Lovelady for providing a recliner to ensure Larry's comfort while in rehab and Sherry for providing meals for me during the past year. A special gratitude to Mike for his uplifting visits and prayerful phone calls. Blessings for caring. Jan Goslin
