ADOPT A COLLEGE KID

At MoST we want our college age kids to stay connected. We have 13 kids who need adopting. For it to be successful in encouraging these young people plan to: text at least once a week, send a card at least once a month and send a care package or gift card once a month. Former college kids were greatly encouraged by this, so here's a way to get involved. A table will be set up for you to choose your person on Sunday, September 19 or see Natoshia Wooten or Sue Cash.

THANK YOU

Friends at Missouri Street...Thank You for all your prayers and well wishes for our marriage. Thank you for the wonderful shower and the money tree for missions. We were able to send \$600 to Helping Hands International, a mission group that helps dig wells, provide tools & seeds, etc. for gardens and helps women start businesses such as providing treadle sewing machines and peanut butter machines to help provide for their families. They also help teachers and students in Africa, Haiti, and Central America. This is all done through existing churches of Christ in these countries and have helped establish new congregations. Thank you so much, James & LaVonne Smith.
