ADOPT A COLLEGE KID:

At MoST we want our college age kids to stay connected. We have 13 kids who need adopting. For it to be successful in encouraging these young people plan to: text at least once a week, send a card at least once a month and send a care package or gift card once a month. Former college kids were greatly encouraged by this, so here's a way to get involved. Contact Natoshia Wooten or Sue Cash.
