## THANK YOU:

- It is really difficult to put into words the love we have for our church family. To adequately express the appreciation we feel for all the acts of kindness & support we have received since Bobby's adventure into COVID World is just impossible. This has truly been a wild journey & it still continues & without your endless prayers & God's sovereign presence who knows where we would be? Actually we do... totally LOST!!! Love to each of you & please continue to pray. Deana & Bobby Stewart
- Dear MoSt Family, You will never know how much you all mean to us. The prayers, cards, gifts, and encouragement during this difficult time has meant the world to me. I have read & reread every card, text message, & Facebook comment. It is going to be hard without my Jerry but I know I have people who love me. Party in Heaven welcome you some day, Vivian McCorkle & family
