## 2022 SPARK STUDIOS VBS

What a great time! What a highlight Spark Vacation Bible School was. There are so many great things that happened! We love seeing our members come together to make it such a great success. Who else but Victoria would let children throw paint. From the theatrical photos to the Spark Amusement Park, from Dan & Stan, to a full course meal, what could be better? Well, maybe teaching children & adults about God, welcoming and accepting many visitors would be the best. Thank you all so much!

## THANK YOU

**Dear Church Family,** Momma struggled to accept her limitations after her stroke. She was bitter, against the world, and was of the "Woe is Me" attitude. She blamed God and everyone else for her predicament. Then the pandemic hit. Her negativity was driving us crazy. To top things off, we were locked in with her. I was also struggling with the light vs. the world. We watched the service every Sunday. At first, momma went to sleep while the preacher was delivering the message. Then something happened. Her entire attitude changed. She watched the entire service with enthusiasm. She attacked rehab with a renewed determination. When church reopened, she wanted to go. She had to meet the preacher. She was able to go twice and the second time the preacher stopped and visited with her after the service. She was tickled to death. Because of MoSt and the preacher, momma was right with God in the end. The last words that I heard her say was a prayer out loud. I have never heard her pray in my 63 years. Thank you, MoSt family, Andy, Melody, & Peyton White.
