

## SPECIAL PROJECTS

### EASTARK CHRISTMAS PARTY

- Plan to join us for this heartwarming party with provided lunch on Sunday, **December 11**, in Rash Hall immediately following the service.
- **HELP NEEDED** to wrap presents for EastArk Christmas Party. Contact Lori Dale if you are willing to help.

### WEST MEMPHIS CHRISTIAN SCHOOL

- Members of the GPS (Grandparents Praying For Our School) are selling Red & White poinsettias as our major fundraiser this year. Poinsettias will be available for pickup on December 2 at the school. The Red Poinsettias (8" diameter pots) are \$30.00. White Poinsettias (6 ½" diameter pots with 6+ blooms) are \$20.00. You may contact any of the GPS members to order. In our congregation: Teresa Mott, Lou Stokes, Kaye Lehman & Deana Stewart. Quantities are very limited so act fast.
- As always we are so appreciative of our MoSt family & the tremendous support you continue to show for WMCS. The turnout for the recent silent auction & dinner was tremendous & we continue to seek your prayers for the success of the school & its mission here in our community.

## ADULT CLASSES

### SUNDAY

**AUDITORIUM CLASS:** Ephesians—Letters from Prison. In this series, we are taking a deep dive into the rich writings of Paul the Apostle. This letter serves as a powerful reminder that the Gospel prevails, even in direst of circumstances. One of Paul's most uplifting letters of exhortation, Ephesians gives an explanation of God's mysterious plan and our calling as God's chosen people.

**HOME BUILDERS/Rash Hall:** Class for Young Married Couples is designed to help empower our young couples to seek a marriage based on Christ and the principles of a Christian marriage. Our focus is on relationship building and growing as one.

**SUM-THING ON SUNDAY /room 221/** is a class for adults of any age. We are focused on Service, Unity and Ministry. For 2022 our study material is 52 Weeks Through the Bible.

**SCIENCE & THE BIBLE /room 211/** The case for Biblical creation is presented through videos by creation scientists (PhDs), Bible scholars, and other experts. Class discussion follows the videos.

**1, 2, 3 JOHN & JUDE /room 215/** Join us for the study based on the Max Lucado book about these key issues: Love & truth are two essentials in our lives. Being like Christ. Being generous. Stand against false teachers. Living for Christ in today's world.

### WEDNESDAY

**3PM CLASS IN ROOM 221:** The Jack and Betty Raines Memorial Bible Class meets every Wednesday at 3PM for one hour. It was started to include those who have trouble seeing after dark. We have a textual study of about 12-15 verses per week. Second Pe-

ter is our present study and we will begin Acts of the Apostles on November 2<sup>nd</sup>.

**LADIES CLASS /room 221/** Class for women of all ages. It is a group of women who pray and care for others. We have a varied curriculum that has included lessons from RightNow Media, Beth Moore series, specific books of the Bible, and lessons taught by individuals in the class. Open discussions are encouraged.

**MEN'S CLASS / room 211/** Men of MoSt meet on Wednesday evenings at 6. We are studying the book "How God Makes Men," written by Patrick Morley. Morley develops ten different spiritual principles from ten different men in Scripture to illustrate how God builds and transforms the character of men to become godly leaders. Come join us & be a part of this study. "Iron sharpens iron."

**PARLOR CLASS /Parlor/** If you are looking for a Bible class on Wednesday night, come to the Parlor. We sing for about half of class, and then study from the Word. We just finished the study of Romans and are now in the Gospel of John.

**YOUNG ADULTS /room 210/** Class for young adults-out of high school and single. Basics of Christianity: Who is Jesus? Do I know Him? Does He know me? How do we develop a better relationship with Him?

**WORLD BIBLE SCHOOL /library/** World Bible School is a correspondence course based on Bible study program allowing students to progress at their own rate in a comprehensive Bible learning program. Many of the residents at the Arkansas Correctional facility here in West Memphis are enrolled as well as students from other areas. Grading and returning these lessons as they are completed is a great way to get involved in teaching others.
